

# Zhian Jia

## PERSONAL DATA

NAME: Zhian Jia (Surname: Jia, '贾'; Given name: Zhian '治安')  
ADDRESS: Centre for Quantum Technologies, National University of Singapore  
EMAIL: [giannjia@foxmail.com](mailto:giannjia@foxmail.com)  
ORCID: [0000-0001-8588-173X](https://orcid.org/0000-0001-8588-173X)  
RESEARCH BLOG: [Chronicle of Physics](#)  
HOMEPAGE: <https://polyidoit.github.io/jia/>  
GOOGLE SCHOLAR: [Google Scholar](#)  
ZIHU: [Zihu Profile](#)

## ACADEMIC EXPERIENCE

|                     |                                                                                                                                                                                                                           |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| SEP 2021 - PRESENT  | Centre for Quantum Technologies, <b>National University of Singapore</b> , Singapore<br><i>Mentor: Dagomir Kaszlikowski</i> [ <a href="#">homepage</a> ]<br><i>Research Fellow</i>                                        |
| NOV 2018 - DEC 2019 | Microsoft Station Q & Department of Mathematics, <b>University of California, Santa Barbara</b> , California, United States<br><i>Mentor: Zhenghan Wang (王正汉)</i> [ <a href="#">homepage</a> ]<br><i>Visiting Scholar</i> |
| SEP 2017 - AUG 2018 | Yau Mathematical Sciences Center & Department of Mathematical Sciences, <b>Tsinghua University</b> , Beijing, China<br><i>Mentor: Liang Kong (孔良)</i> [ <a href="#">homepage</a> ]<br><i>Visiting Ph.D.</i>               |

## EDUCATION

|                     |                                                                                                                                                                                                                                                                                                                                                                                           |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| SEP 2015 - JUN 2021 | CAS Key Laboratory of Quantum Information, <b>University of Science and Technology of China</b> , Hefei, China<br><i>Mentor: Guang-Can Guo (郭光灿)</i> [ <a href="#">homepage</a> ], Yu-Chun Wu (吴玉椿) [ <a href="#">homepage</a> ]<br><i>PhD in Physics</i><br>Thesis: Classification, criteria, and properties of quantum correlations and their applications in quantum many-body systems |
| SEP 2011 - JUN 2015 | Institute of Super-microstructure and Ultrafast Process in Advanced Materials, School of Physics and Electronics, <b>Central South University</b> , Changsha, China<br><i>B.S. in Applied Physics</i><br>Thesis: Impurity effect of vacancy in two-dimensional crystals and the related applications in quantum Hall effect                                                               |

## SELECTED AWARDS

|      |                                                               |
|------|---------------------------------------------------------------|
| 2017 | Guorui Scholarship for Graduate Students                      |
| 2016 | National Scholarship for Graduate Students                    |
| 2014 | College Scholarships of Physics and Electronics               |
| 2010 | <i>The Second Prize</i> of The 27th National Physics Olympiad |
